**OPERATION
OVERWATCH**

Operation Overwatch is a 501(c)(3) that aims to heal at “both ends of the leash.” They serve veterans and first responders by providing them with professionally trained Service Dogs and Animal Assisted Therapy.

They rescue dogs from shelters across the nation and train them to serve those suffering from Post Traumatic Stress Disorder and/or Traumatic Brain Injury, as well as those needing mobility assistance.

“If you shift your focus from yourself to others, and think more about other’s well-being and welfare, it has an immediate, liberating effect” — Dali Lama
